
CSIRO Food Research Quarterly

Index to vol. 48, 1988

	Page
Australian convenience foods - biotin content	66
Bacteria, thermophilic - food spoilage	19
BEALES, C.R. see HOOD, R.L.	
Biotin content of Australian convenience foods	66
Beef carcasses - destruction of <i>E. coli</i> with hot water	47
Cholesterol - effect of oat bran	37
Containers, refrigerated	1
Controlled atmosphere storage - effect on fungi	56
Convenience foods, Australian - biotin content	66
<i>Escherichia coli</i> on cattle carcasses- destruction with hot water	47
EYLES, M.J. and RICHARDSON, K.C. 'Thermophilic bacteria and food spoilage'	19
Films, food packaging - measuring odour transmission	40
Food industry - supercritical fluid extraction	25
Food packaging films - measuring odour transmission	40
Food spoilage - thermophilic bacteria	19
Fungi - responses to modified atmospheres	56
HOCKING, A.D. 'Responses of fungi to modified atmospheres'	56
HOLLAND, R. and SANTANGELO, R. 'The "lamine film" method for measuring odour transmission rates through food packaging films'	40
HOOD, R.L. and BEALES, C.R. 'The biotin content of Australian convenience foods'	66
Horticultural produce - use of refrigerated shipping containers	1
Hot water destruction of <i>E. coli</i> on cattle carcasses	47
HUSBAND, P.M. 'Packaging meat for greater consumer appeal'	50

IRVING, A.R. 'Refrigerated shipping containers: understanding their operation and using them effectively for the carriage of horticultural produce'	1
Kiwifruit - maturity test	33
Laminate film method for measuring odour transmission rates	40
Meat packaging for greater consumer appeal	50
Microwave - use in kiwifruit maturity test	33
Modified atmospheres - responses of fungi	56
OAKENFULL, D.	
'Oat bran: does oat bran lower plasma cholesterol... and, if so, how?'	37
Oat bran - effect on plasma cholesterol	40
Odour transmission through food packaging films	
Packaging meat	50
Plasma cholesterol - effect of oat bran	37
Refrigerated shipping containers	1
RICHARDSON, K.C. see EYLES, M.J.	
SANTANGELO, R. see HOLLAND, R.	
SMITH, M.G.	
'Destruction of Escherichia coli on cattle carcasses using hot water'	47
SPRAGGON, S.A.	
'Rapid dry matter maturity test for kiwifruit by microwave'	33
Supercritical fluid extraction	25
Thermophilic bacteria and food spoilage	19
ZADOW, J.G.	
'Supercritical fluid extraction - new technology for the food industry'	25
